You may associate them with a cup of tea, a snack between meals, or, for dessert; a "bite" for the children at recess, or for luncheon.

Each biscuit represents the experienced knowledge of many recipes, and thousands of bakings; that is why they are distinctively better biscuits, therefore different biscuits from any you have yet tasted.

On Guard

THAT bright red column of the Boyce Moto-Meter today stands guard for more than six million motorists. Fifteen to twenty minutes before serious motor trouble can develop, it signals them to stop and investigate.

It prevents burned out bearings, scored cylinders and overheated engines. It keeps

your car out of the repair shop; conserves fuel and prolongs the life of your motor.

The cost of a Boyce Moto-Meter on your radiator cap is much less than one unnecessary repair bill—not to mention the touch of luxury it adds to your car.

Leading engineers here and abroad recommend it.

THE MOTO-METER COMPANY OF CANADA, LTD., Hamilton, Ontario

BOYCE MOTO-METER

The name "Moto-Meter" is the registered trade mark and the exclusive property of this Company

"Your car deserves one"—too

Leishman Clothes

FIGURE the cost of your clothes by the month, to the year, out by the piece, then you'll see how much cheaper good clothes are than "cheap" ones.

Quality, materials and fine tailoring in clothes mean longer wear. Longer wear means lower clothes for your lunch pail, and lower clothes mean much more money saved.

Wm. H. LEISHMAN and CO., Limited, TORONTO

The men who wear Leishman clothes select them for what they cost, not for what they cost. Leishman clothes are made for the men who want a high standard of quality, lasting good fit and long wear at reasonable cost. Leishman Quality Clothes—ready for service or made to measure—range in price from \$15 to \$35.
